Deposes and says:-

I was standing on top of the train trestle where it crosses Elm Street with Austin Miller. We saw the motorcade come around the corner and I heard something which I thought was fireworks. I saw something hit the pavement at the left rear of the car, then the car got in the right hand lane and I heard two more shots. I heard a woman say "Oh no" or something and grab a man inside the car. I then heard another shot and saw the bullet hit the pavement. The concrete was knocked to the South away from the car. ~~Exxx~~ It hit the pavement in the left or middle lane. I then went down to my car radio to see if I could find out what happened. After I came back up, a policeman asked me if I had seen anything and brought me to the Sheriff's Office.
